Plan May Weddings

JOANNE SILVESTRI

Mr. and Mrs. Alfonso Silvestri of 67 Highland St., Feeding Hills, announce the engagement of their daughter, Joanne Silvestri, to Robert C. Freeman, son of Mrs. William Freeman of North Westfield St., Feeding Hills, and the late Mr. Freeman.

Miss Silvestri, a graduate of Agawam High School, is employed by Buxton, Inc.

Mr. Freeman, also a graduate of Agawam High School, has completed an enlistment with the Army. He is employed by Avis-Rent-A-Car, in Windsor Locks, Conn.

The wedding will be an event of May 9 in Sacred Heart Church, Feeding Hills.

LOIS A. MARTONE

Mr. and Mrs. Quinto P. Martone of 85 Bliss St., West Springfield, announce the engagement of their daughter, Lois Ann Martone, to Sebastian Petrucci Jr., son of Mr. and Mrs. Sebastian Petrucci, Sr., of 100 Edward St., Agawam.

The wedding will be an event of April 25 in the Church of Good Shepherd, West Springfield. Miss Martone is a graduate of West Springfield High School. She is employed as an office clerk at Johnson Asbestos Corporation.

Mr. Petrucci is a graduate of Springfield Trade High School. He served two years in the Army stationed in Hawaii and is proprietor of the Agawam Flower Shop.

Apartment Building A New Industry A Permanent Shift In The American Way Of Life

The cost of buying a house has risen beyond the financial capacity of the great bulk of families with even moderate incomes. The rapid increase in costs means that it is less and less possible for a family to buy a house. We are moving into an era of substantial housing shortages, and basic make-up of family living is being challenged by increased costs.

Since 1951, land cost has gone up 16% per year on the average, or nearly 300% altogether.

Cost of financing residential construction has more than doubled. (Please Turn To Page 3)

Catholic Men's Club To Meet March 10

The Catholic Men's Club of Agawam will hold their March meeting Tuesday, the 10th, in St. John the Evangelist hall.

The guest speakers will be Captains Jack Morin and Richard Hastings of TWA. The captains, veterans of 24 years service, will talk on the advantages of flying.

A very interesting sidelight will be Captain Hastings' report on the "Blue Spruce Route Hijacking of Flight 85 from San Francisco to Rome." He was the pilot on that very dangerous and exciting flight.

The meeting is at 8 p.m. and all the men of the parish are invited.

Lion's Club Corned Beef Cabbage Supper Set March 14

Lion's Club Corned Beef and Cabbage Supper is set for March 14, in the Agawam Junior High School with servings from 5 to 7 p.m.

Joe DePalo, chairman of the affair announces his committees and committee chairmen. To assist Joe will be Nick Zucco, co-chairman, and King Lion, Frank Chiscola, as honorary chairman.

Working in the kitchen and serving will be: Joe DePalo, John Galica, Joe Ferrari, Jim Loomis, John Chiscola, Art Fuchs, Tom Vella, Jim Votsakis, Ed Arnold, Wyly Brame, Niles Noach, John

Mercadante, Chet Nicora, Nick Zucco.

Making the salad will be in the hands of Al Malone, chairman, assisted by John Chiscola Jr., Tom Cascio, Tom Hyland, Bob Watson, Bill Gardiner, Mitch Borowiec.

Pancake Supper Sat.: Magic on Sunday At Valley Church

The Men's Club of the Valley Community Church will sponsor a public Pancake Supper Saturday, March 7 from 5 to 7 p.m. with dancing following until 11. Tickets are only one dollar.

On Sunday, the following day, the Sunday School of the Church will offer a program of magic and movies for children in the community and their parents.

Mr. "C", well known magician in this area will have another magician assisting him which gives promise of a very entertaining afternoon.

Movies for approximately one hour will follow and then refreshments will be offered. All this for fifty cents.

The doors will be wide open to everyone and it is to be hoped that many families will take advantage of this invitation.

With the cooperation of the Chief of Police, Supt. of Schools, School Committee and with the permission of the Board of Selectmen, Safety Officer Harold J. Burnett is pleased to announce the Town of Agawam will for the first time join in with "School Safety Patrols" throughout the nation in the annual AAA trip to

our nation's capitol Washington D.C.

This three (3) day tour is conducted the first week in May each year, (the date this year is May 7th), organized by the Auto Club of Spfld. as a reward for those patrol members who have shown outstanding leadership in (Please Turn To Page 6)

Merriweds Club To Sponsor "Americana Showcase", March 14

Craftsmen from western Massachusetts will be featured in the third annual "Americana Showcase," an exhibition and sale of early American crafts, on Saturday, March 14, from 10 a.m. to 5 p.m. The show has been arranged by the Merriweds Club of Agawam Congregational Church. It will be held at the church, 745 Main St., Agawam.

In past years, most of those displaying have been from the eastern part of the state. Among the items offered for sale will be: painted wares (wood and tin), ceramic jewelry, hand crafted candles, unique wooden objects from a local workshop, carvings, rag dolls, doll furniture, hand knits, aprons, furcraft, ceramics, silver and copper ware, hand painted china, sketches, oil paintings—and lots of old fashioned home made candy!

In the spirit of "early America," four "specialized" antique dealers have been invited to participate. Antique buffs will enjoy their selections. An unusual collection of fine jewelry will be offered. A well known local collector will bring a vast array of clocks. Another dealer will have a wide variety of the antique glassware she specializes in. The fourth booth will feature small collectables.

The Coffee Shop, open all day, will maintain the Early American atmosphere when it's quaintly dressed waitresses—complete to their crisp, white dust caps. Deli-

cious home baked goodies will be available in the Bake Shop.

Door prizes will be awarded at frequent intervals throughout the day. All in all, an offering of the best of Americana, old and new. You are most cordially invited to spend a leisurely day browsing and visiting with the exhibitors.

PIECZARKA COMPLETES TOUR OF DUTY

USS GEARING (FHTNC) — Navy Seaman Richard T. Pieczarka, son of Mr. and Mrs. Stanley Pieczarka of 196 Corey St., Agawam, returned to Newport, R. I., from a six-month tour of duty in the Mediterranean aboard the destroyer USS Gearing.

bled since 1966. In that period, the average mortgage interest rate has risen from 6% to 8.5%. Real estate taxes across the nation have gone up on an average of 50% since 1963. Wage rates in building trades increased 22% since 1964 to 1968, while cost of building material went up 11.5%.

All these factors have forced the prices of new houses up and up. The median price of new houses sold in the U.S., this year is over \$26,000.

Single family housing starts have declined so much in some areas that apartment construction accounts for 65% of all new residential building.

Developers are providing extras to keep tenants happy. Air-conditioning has become standard, carpeting, tennis courts, swimming pools, fancy landscaping, sauna baths and health clubs are getting to be commonplace. Some developers are spending between \$750 and \$1000 per unit on recreational facilities.

The trend in the apartment industry is away from small projects to larger and more efficient operations.

The trend the experts see in future apartment developments is that they will be larger, with more extras, and will require better planning.

These big projects require big money. Most apartment projects have their own maintenance crews, with at least one man living at the project to handle calls. Quick service in an emergency is important, operators say, for tenants who have moved out of their homes mainly to get away from worries of maintenance and repairs.

The style of apartment living has changed. Families are staying longer, apartments are not a temporary stop any more, they are a way of life. Many people used to think of apartment residents as drifters or floaters, but

"Drive for Decency"

Despair is the only word that can describe a normal reaction to the great mass of depressing material that pours forth in a flood from what is popularly called the communications media. News magazines, TV, newspapers and radio have been virtually overwhelmed by morbid preoccupation with seemingly insoluble problems of environment, race, war, crime and what have you. Overlooked in the crush of doomsday news is a broad and deep current of enlightened constructive work on the part of millions of citizens to advance the state of civilized man and to promote his chances of a long and fruitful future on this planet.

In the closing days of 1969, a significant dinner meeting hosted by President Nixon took place at the White House. The President's guests were the National Board of Directors of the Boys' Clubs of America who had come to the White House to announce a five-year, \$25 million youth development program entitled a "Drive for Decency." Designed to expand the youth-guidance organization's services to millions of boys in hundreds of cities, the plan emphasizes the positive approach to youth problems. Some 850 Boys' Clubs currently offer daily services to well over 850,000 boys. More than 150 attended the White House dinner, including FBI Director J. Edgar Hoover, Mr. James A. Farley, Captain Eddie Rickenbacker, General Mark Clark and scores of business and government leaders.

The late Herbert Hoover, former President of the United States, actively directed the Boys' Clubs for 25 years. He believed that "next to the home, school and church, Boys' Clubs are the greatest character-building institutions in our country today." Very shortly—March 16-21—the nation will be observing National Boys' Club Week when the "Drive for Decency" will center attention on the kind of youth who gain strength from adversity, who develop into leaders with the capacity to find solutions to problems rather than how to despair.

eyes, brown hair and stands 5 ft. 3 inches tall.

Jacqueline Ryer, daughter of Mr. and Mrs. Eugene Ryer of Southwick St., Feeding Hills, is 16 years old and a member of the junior class at Agawam High School. She stands 4 ft. 11 inches tall, has red hair and blue eyes.

Many awards will be presented to the "Colleen", among which are: a tiara, a dozen American Beauty roses, a hand knit sweater (green of course), dinner for her and her parents at Storowton Tavern, a beauty certificate from Gino's Beauty Salons, a beaded evening purse, a hand hooked rug from Country Squire, and many cosmetic prizes from local drug stores. In addition, the girl chosen "Colleen" will receive a trophy donated by Bolduc trophies with the girls chosen, 3rd, 2nd and 1st runners-up receiving trophies also. East girl entered in the contest will receive a memento trophy. Song albums will also be presented.

Tickets for the show are available at the door at 99c, with children under 12 at 50c.

The show committee said today, "Come see who Miss Colleen will be."

Town Meeting To Consider Manager Form Of Government

On March 8, 1969, at the annual Town Meeting, a Committee was appointed to study the form of government of the Town of Agawam and to report at the next annual Town Meeting on the possibility of the town manager form of government. The Town Manager Committee has completed its study and is prepared to make its recommendations at the forthcoming Town Meeting.

Members of the Committee are as follows: George L. Reynolds from the Board of Selectmen; David M. Marshall, Town Moderator; James P. Kane from Precinct One; C. William Hall from Precinct Two; Barbara Skolnick from Precinct Three; Joseph A. Cancelliere from Precinct Four; Francis G. Capitanio from Precinct Five; and Julian L. Mirowski from Precinct Six. Mr. Reynolds was elected Chairman of the Committee with Mr. Kane as Vice Chairman and Mrs. Skolnick was chosen as Secretary.

The Committee has studied various aspects of local govern-

ment including problems and possible solutions both through research of written materials and discussions with leaders in the field of local government, including Dr. Edwin A. Gere, Assistant Director of the Bureau of Government Research at the University of Massachusetts and Mr. W. Norman Gleason, Supervisor of Elections of the Commonwealth of Massachusetts. In addition, lengthy conversations were held with Mr. C. Samuel Kissinger, Town Manager of Enfield, Conn., Mr. Albert Ilg, Town Manager of Windsor, Conn., and Mr. Allen Torrey, Town Manager of Amherst, Mass.

As a result of its discussions and deliberations, the Committee has unanimously concluded that the present form of town government in Agawam is outmoded and poorly designed to cope with the problems, demands and needs of the community. In the next Article, the Committee will report on the deficiencies which it believes exist under the present system.

SPORTSMEN'S CORNER

By BILL CHIBA

Frank Bunn and Dick Schullen, co-chairmen of the fish committee at the Agawam Sportsmen Club, are chomping at the bit in anticipation of the arrival of the hatchery truck from Mohawk. April 2nd isn't that far off and large trout are on the agenda.

Fishing will open at the club's pond April 4th and a trophy will be awarded for the largest fish caught that day. Another trophy will be awarded the fifth for the largest fish caught. Frank reports that there are prizes galore for the entire pre-season fishing at the club impoundment. The awards will end when trout fishing legally opens throughout the state April 18.

The Agawam Sportsmen Club annual banquet will be held the first Tuesday of April. Steak by Sutula is the menu. Carl Roberts, president of the club, is the general chairman of the affair. Tickets can be obtained at the club house. If you intend to go, don't hold off too long in purchasing a ticket as they are limited, and a Sutula meal is covered.

Edward Tierney of Pittsfield, has been replaced on the Five Man Board of the Div. of Fisheries and Game by Mr. Kenneth F. Burns of Shrewsbury. Western Mass. has only one member representing it on the board... Brad Gage of Amherst. The Worcester

power certainly hooded the Governor's eyes... Francis Sargeant is a past Director of the Fish and Game Board and should not have kneeled to the discontents.

1,342,000 trout will be stocked throughout the state before June. 342,000 are slated for Western Mass. The new Quabbin Hatchery has caused the increase in the number of trout to be stocked this year.

The New England Electric System has donated four water reservoirs totaling nearly four square miles and valued at about half a million dollars to the State of New Hampshire. The four bodies of water, which are no longer needed for electric power use, are close to Lebanon-Hanover area. Gov. Walter Peterson said the state would develop the full recreational potential of the reservoirs which have a total of approximately 25 miles of shoreline.

The self-help program of the Mass. Div. of Conservation Services did quite a job in fiscal 1969. Matching grants totaling \$880,587 were allocated adding 1620 acres to the lands controlled by Bay State conservation commissions. Of the 39 cities and towns receiving money for 64 land acquisition projects, 12 communities were helped by either HUD or BOR matching grants. Since 1961, the Commonwealth of Massachusetts has invested 2,000,961 in aiding communities to acquire 6,671 acres of open space and recreation lands.

Two selections have been made for the staff of Camp Millbrook, the Agawam Y.M.C.A. day camp. They are Miss Carolee DeVito and Mrs. Donna Modzelewski. Miss DeVito will head the pre-school camp, Camp Little Stream, and Mrs. Modzelewski will work with the oldest girls group in Camp Millbrook.

Miss DeVito has been associated with Camp Little Stream for the past three years. This will be her second year as senior counselor for the pre-school camp. At present she is a freshman at the University of Conn. She was the recipient of various awards while in high school and active in Church and YMCA functions, as well as the high school band and a member of the National Honor Society.

Mrs. Modzelewski will be returning for her second year at Camp Millbrook. She is an active member of the Katherine Danahy school faculty and has been a 1st grade teacher at that school for the past four years. A former office holder in the Order of Rainbow For Girls, Mrs. Modzelewski brings much experience to Camp Millbrook.

For more information about Camp Millbrook, interested persons are asked to call the Agawam Y.M.C.A.

the performance of their duties throughout the school year.

Normally a limit of two (2) patrol members from each school is allowed, but since this is the year we initiated the student "School Bus Patrol" Raymond Compton, the general manager of

the auto club, is allowing us to take additional patrol members, the number to be based on those receiving the highest marks on a test to be given pertaining to the patrol members duties.

The cost of this undertaking will be borne by local sponsors. "I believe the future of Agawam will be rewarded proportionately by these young leaders with the response we show now to this, their first experience with responsibility towards others," Burnett said. The Safety Officer hopes civic groups and local businessmen will join in this effort to make this trip a success, realizing that Safety is everybody's business and the reward is Agawam's reward.

Spring Fling Mar. 11 At Peirce School

A Gym Show giving parents an insight into the physical education program at Peirce School will highlight the March 11th meeting of the Peirce School Parents Teachers Association at 7:30 p.m. in the school auditorium.

A representative group of children will give demonstrations including marching, rhythms, exercises, physical fitness, folk dancing, and square dancing.

The following children will participate: Sandy Mason, Debbie Freedman, John Darnell, John Kunasek, John Jury, Steven Keating, Carol Boucher, Lori Moriarty, Eleanor Chase, Suzanne DeMatos, Michael Keating, Ricky Martel, Kevin Paro, Eric Geiger, David Finnell, Clay Martinell, Kathy O'Connell, Donna Regnier, Carol Heppner, Theresa Walczak, Allan Beane, Ted Werner, Julie Ouimet, Maryanna Timme-meyer, Barbara Landers, Alan Bobeck, Darcy Mercadante, Daniel Stachowicz, and Nina Contrino.

The program is under the direction of Mrs. Dorothy Dowling, gym teacher.

Ladies Aid Society To Meet March 12

"I Ride the Cruiser" a topic by Rev. David Dean of Foster Memorial Church, will be the program for the March 12th meeting of the Ladies Air Society of the Agawam Congregational Church.

The program will be preceded by a luncheon served at noon in the church parish hall.

Now We Understand

There is always the question in the minds of administration of whether we should supply, or at least prepare to supply facilities (i.e. sewerage, water and roads) before or after encouraging new development to locate in our town.

There are those ultra conservatives who would not spend the Town's money until complete assurance has been given that new industry will locate within our confines. This policy has soundness if sums of money have been placed in escrow and management has been given the right to spend if and when a new business shows sincerity in its desire to build. Unfortunately, however, your Town's management has neither this available cash nor does it have the power to spend without Town meeting approval. Since Town meeting approval is available but once each year, unexpected business adventures are told that nothing can be done for them in the matter of supplying facilities until the next annual Town meeting. But, they usually do not choose to wait especially when they find neighboring Towns ready to serve them at once. We have lost several lucrative tax assessments in this fashion.

To use an analogy, there are others, among whom I would like to be counted, who believe in building the foundation before constructing the roof. It doesn't require too much logic to understand that the institution of public utilities is the foundation for any community development. Sure there are situations and rare locations which might satisfy certain small businesses but in general we have "run out" the string on adequate facilities.

Our sewer and surface drainage survey authorized by our 1969 annual Town meeting and completed by professional engineers gives us certain specifics to follow. Administration has by a warrant article set up the potential for new sewerage interceptors. The estimated cost is in the vicinity of \$300,000.

The key point in the overall system is at the intersection of Adams and Suffield Sts., with the additions of perhaps three pumping stations in the Feeding Hills area and the use of a siphon on lower Adams St., we would be able to reach the Bondi Island plant by gravity feed. The engineers tell us that we need a new 36-inch line on Adams St. This line would carry the sewage from the Industrial Tract plus the entire Feeding Hills area. On

Adams, near Main St., and at the Three Mile Brook, there is a drop in elevation creating an impasse for gravity feed. However, by using head pressure it is possible to use siphons to cross the low spot and carry the sewage to Main St. From this point gravity would be used down Leonard St., and then into the River Rd., interceptor. The Leonard St., line has a capacity for a 600,000 gallons per day addition to the present flow.

When the Adams St., line adds more than 600,000 G.P.D. to the system, then a new interceptor would be necessary from the foot of Leonard St., across the Meadows on the south side of School St., and eventually to Bondi's Island. Another major addition would be to add lines across the Industrial Tract, the Airport, and eventually to Feeding Hills.

Our second project, an order issued by the State of Mass., is to sewer the southerly section of Main St., from South St., to the Conn. State line. We have petitioned the Federal Government through the HUD Agency for a subsidiary grant in the amount of \$95,000. At this date we have no answer to our request. This project will also mean an expenditure of some \$300,000. Should we fail to complete this program by 1972 we could be ordered to do so. Failure to honor the order could result in possible loss of all State Subsidies including School Building aid.

Our consulting engineers have advised that we can likely save \$11,000 per year by using Springfield's disposal facilities rather than construct our own plants.

Problems - problems - problems - but how utterly illogical to build a house without a foundation.

Sincerely,
George L. Reynolds, Selectman.

Local Golden Age Club Activities

The Agawam Golden Age Club will hold a card party every Monday at the Captain Charles Leonard House, at 1 o'clock until further notice. There will be table and door prizes awarded.

ACTIVITIES

March 11: Program - Country store.

March 25: Entertainment and reservations for April 1st trip.

April 1: Ashfield trip - maple syrup and sugar at Linwood Lesure Farm.

April 8 - Installation.

April 22 - White Elephant Sale.

PROMENADERS

SQUARE DANCE

Lindy and Dick Davis

A St. Patrick's Day dance will be held by the Agawam Promenaders at 8 p.m., March 6th, in the auditorium of the Robinson Park School. All western style square dancers are welcome and door prizes will be awarded, according to Maddy and Bob Dugan, chairmen of this event.

Al Bessette of Walnut St., will be calling the dances and refreshments will be served.

Everyone who attended the Dana Blood Dance, Feb. 27th, had a "swinging" time. We found Dana Blood likes to vary the tempo, and makes the dancing easy and fun to follow.

Our next dance will be March 20th with guest caller Bill Como.

"Doctor, I can't understand why I get so many headaches. I don't drink, smoke, stay out late, or even bother with women. What's wrong, Doc?"

"Perhaps," said the doctor, "your halo is on too tight."

My Beat — A.H.S.

By Joseph Della-Giustina, Jr.

We on the "executive committee" of the Agawam Teen Center would like to thank everyone for supporting us at our dance. The Teenagers proved to the 'establishment' that they can run a dance themselves without a bit of trouble. There were approximately 350 teenagers at the

dance. Since this worked out well, we plan on having another dance in a couple of weeks.

Agawam High School will be represented at the 30th Model Congress on April 2nd, at American International College. Dennis R. Gutride, chairman of the event, announced 130 high schools throughout New England and New York State have been invited to send delegates to the three day program, at which high school students participate in legislative proceedings modeled after the Federal Government.

Last year the college presented over \$14,000 in scholarships to high school students who participated in the program.

COMING EVENTS: The 1970 Operetta for Agawam High School is "Carousel" which will be held from March 11-14.

Juice, ham and eggs, butter, toast and coffee for \$1.25 for adults and 75c for young children. March Chairman Bill Lamier has Gov. Dumond, Jr. Past Gov. Bissonnette, and Frank Smith working with him in order to serve YOU better.

Local Garden Club To Meet Tuesday

A double feature will be waiting members of the Agawam Garden Club at their March 10th meeting at the Captain Charles Leonard House. The Western Massachusetts Electric Company's program, originally scheduled for February, will be shown this month. This is an illustrated talk entitled "Updating of the Red Bridge Project."

The second feature is a slide program presented by Mrs. Maria Giroux in anticipation of Spring.

The short business meeting will start promptly at 7:45 p.m. so that members may enjoy the programs and still be home at a reasonable hour. Mrs. John Rafferty, president, announces that the Garden Club will not sponsor a scholarship to the Mass. Conservation Camp this year. Instead, the membership voted to donate \$50 toward the Camperships being sponsored by the Town Conservation Commission in hopes that other civic-minded groups will also support the Commission and make their project possible.

South School PTA To Meet Wednesday

The South School Parents and Teacher Association on Wednesday, March 11 at the South Elementary School will have a program outlined to squarely attempt to fight drug abuse in our community.

An excellent adult U.S. Government Film "L.S.D." will be shown. This is an up to date film on narcotics to aware parents on

the serious problem of drugs.

An authoritative speaker is being arranged for to talk on our children's knowledge and use of drugs and what parents can do to try to protect the children and themselves and aid by finding out how to try to fight drug abuse.

P.T.A. President Harold Burnett will open the program with a brief business meeting at 8 p.m.

I.D. Tags On Sale At Phelps Open House

The Phelps Parent Teachers Association will hold Open House at the school on Wednesday evening, March 11th, from 7 until 9:30. Room Mothers will again have appointment books, so that each parent may have a five minute conference with his child's teacher with a minimum of waiting. The students have made work folders and wall displays.

Identification bracelets and chain tags with optional Medic Alert information are our project to benefit the Benjamin Phelps Scholarship Fund this year. These tags and bracelets will be on display during Open House.

To minimize mistakes, parents should place their orders that evening if possible. Order forms and further descriptive material will be sent home to parents prior to Open House. Every youngster should carry identification on him, especially during the times he is away from home.

If anyone else wishes to order a bracelet or tag, please contact Mrs. Juliano at 788-4701 or Mrs. Antico at 736-6466.
